- ◆ Our Lady Longhorns Basketball team won their Regional Semi-Finals game against Poinciana on Feb 14, and lost a hard fought battle against Haines City in the Regional Finals here on Saturday. Our ladies won more games and advanced deeper in the play-offs than any team in Longhorn basketball history. Great job!
- ◆ The Technology Student Association, TSA, will be competing at Amelia Island Plantation for this year's STEM competition on February 22-26. The students of Harmony High School will join forces with students from Harmony Community School to compete in areas of Science, Technology, Engineering and Mathematics. Good luck to Nicole MacMillan, Chase Lord, Sergei DeHoyos, and Alexander Muralles.
